On behalf of the Board of Directors of Rebuilding Together South Sound, thank you for your generous ramp, wall and sink repair donation with a stated value of \$300 for our Olson project.

Secretary

Our mission at Rebuilding Together South Sound is to bring volunteers and communities together to improve the homes and lives of low-income homeowners; particularly the elderly, disabled and families with children.

Past President  
**Stephanie Caldwell**  
*Absher Construction Co.*

After eight Rebuilding Days, we have made repairs and/or modifications at more than 200 homes or nonprofits with a market value of more than \$3 Million. We also have the fortunate distinction of being well supported by the community with volunteers and in-kind donations, which increase the value of each dollar we raise by at least 4 times, quadrupling the services we can provide.

Rebuilding Together South Sound works to preserve affordable housing in our community by making home repairs for homeowners who cannot make those repairs on their own. Your support helps protect these homeowners' safety, their investment in their homes and prevent potential displacement. An investment in Rebuilding Together South Sound is an investment in your community.
